Completion of Flashing Work

25X1A

Dear [REDACTED]

The undersigned is in receipt of information from his representative on reference construction project to the effect that serious delays are being encountered in the matter of completing the flashing for the roof coping.

Since this appears to be unwarranted and to constitute a danger to work already accomplished, you are hereby notified that the Government assumes no responsibility for any damage which might be occasioned by your failure to expedite completion of this item of work.

Any further delays in this or other matters will be regarded by the undersigned as a serious breach of contract stipulations.

Very truly yours,
